

Grade 1

Literacy Calendar - Read & Write Every Day

Date	Activity
Monday, April 20th	Find 5 objects around you. Clap out the syllables and then spell the word out loud to an adult.
Tuesday, April 21st	Write a note to a friend that you miss. Read it to a family member.
Wednesday, April 22nd	How many words can you think of that rhyme with “cat” “pin” “ate” and “mine”?
Thursday, April 23rd	What words can you write using the blends “br” and “pl”? (ex: bread, plane)
Friday, April 24th	Choose a book or poem to read to an adult. Read it to them in your regular voice and then read it again with a monster voice or a mouse voice.
Saturday, April 25th	Enjoy your weekend 😊
Sunday, April 26th	Enjoy your weekend 😊

Grade 1

Numeracy Calendar

Date	Activity
Monday, April 20th	Show the 2 addition and subtraction sentences you can make with this number family: 3, 6, 9
Tuesday, April 21st	Skip count to 100 (and beyond) by 1s, 2s, 5s, 10s & 25s.
Wednesday, April 22nd	Pick a number between 1 and 100. What number comes before that number, what about after? Ask an adult to pick a number for you and tell them what comes before and after that number.
Thursday, April 23rd	Roll 2 dice and add the numbers. Use objects at home to help you answer. Write a number sentence ($_ + _ = _$). How many number sentences can you make? Need a challenge - Roll 3 dice!
Friday, April 24th	Where in the world might you see 1 of something? 2 of something? 3 of something? 4 of something? 5 of something? Use real life examples and tell an adult what they are (ex: 1 bellybutton).
Saturday, April 25th	Have a good weekend 😊
Sunday, April 26th	Have a good weekend 😊

Grade 1

DPA with Ms. Pollock

Date

Activity

**Monday,
April 20th**

Ball in the Blanket: In teams of two or four, each player will hold one or two corner(s) of a blanket. A ball is placed in the center of the blanket. On the signal "Go," throw the ball high in the air, trying to catch the ball in the blanket on the way down. If you don't have a ball use a small stuffy or rolled socks.

**Tuesday,
April 21st**

Story Time Movement: Tell a simple story that contains many different types of actions and characters. Act out the characters and their actions, such as: Animals: elephant, gorilla, kangaroo, horse, bird, alligator, rabbit. Machines: cars, planes, helicopters, spaceships, robots, elevators, toasters. Nature: trees, grass, growing flowers, lightning, wind. Eg: Once upon a time there was an elephant (mime elephant by bending at the waist and swinging arm for a trunk) who like to work with a backhoe called Mac.

**Wednesday,
April 22nd**

Take a die outside. Roll it. Have your child tell how many and do that many hops, jumping jacks, toe touches, etc. If you don't have any dice, you can create the dice dot patterns on paper.

**Thursday,
April 23rd**

Play a game of Simon Says. Leader uses gymnastics points (parts of the body that are touching ground at any given time): 1 point is one foot only or sit on your bottom, hands and feet up; 2 points is 1 hand and 1 foot, or two knees; 3 points is 2 feet and 1 hand or 1 bottom, 1 hand and 1 foot, 6 points could be 2 toes, 2 knees, 2 hands ...then for 7 add a head. But if Simon doesn't say...don't do it!

**Friday,
April
24th**

Have your child throw a small stuffed toy or beanbag up in the air and catch it three times with both hands. Try again with your left hand (LH) behind back catching just with right hand (RH), then again with RH behind back catching just with LH. When student can catch 3 in a row, move up to 4 for a maximum of 10. The trick for single hand throw/catch is to keep the object close to the body and do not throw too high.
