Literacy Calendar

Date	Activity
Monday, April 13	<p style="text-align: center;">Happy Easter!</p> <p style="text-align: center;"></p>
Tuesday, April 14	<p>Read the Story "How Do You Know It's Spring?". Draw a picture of spring with 5 details. Label each of your details. Ex. Flowers, sun, baby birds etc. We will share this assignment during our Teams meeting this week! (Hold down the control button and click on the link)</p>
Wednesday, April 15	<p>Play a word family game: Have an adult help you record as many words as you can think of that rhyme with "Spring".</p>
Thursday, April 16	<p>Listen and dance along to the song on Youtube: "Spring is Here" by the Learning Station. Can you think of any other animals you might begin to see again in spring? (Hold down the control button and click on the link)</p>
Friday, April 17	<p>Read Online/ Youtube: "Time to Come in, Bear: A story about social distancing". Draw a picture about 1 or 2 things you like about staying at home and 1 or 2 things you don't like. You can have an older sibling or parent write down your thoughts. (Hold down the control button and click on the link)</p>

Numeracy Calendar

Date

Activity

**Monday,
April 13**

Happy Easter!

**Tuesday,
April 14**

Measurement: Find 5-10 items in nature and arrange them from longest to shortest.

Which item is the longest? Which is the shortest?

**Wednesday,
April 15**

Making 10: Choose two types of items from outside (rocks, sticks...) or inside (socks, blocks...) and see how many ways can you show the number 10?

(i.e. 4 rocks and 6 sticks/5 socks and 5 blocks...)

**Thursday,
April 16**

Counting on: Using a deck of cards, turn over the top card and count on from that number. Or, use a dice and count on from the number you roll.

How high can you count?

**Friday,
April 17**

Greater/Less than: Using a deck of cards, turn over 2 cards and compare them. (Take out the face cards first).

Say: 2 is less than 5, or 6 is greater than 3...

Kindergarten

DPA/Outdoor Learning

Date

Activity

**Monday,
April 13**

Happy Easter!

**Tuesday,
April 14**

Outdoor Learning: Watch the video “The Sounds of Spring.” <https://watchandlearn.scholastic.com/videos/earth-and-space/seasons/the-sounds-of-spring.html> (**Hold down the control button and click on the link**) Go outside or for a walk with your family and listen for 5 sounds of spring.

DPA: Baby crawl (hands and knees only on floor), Bear crawl (hands and feet only on floor), camo crawl, turtle crawl (flippers)

**Wednesday,
April 15**

Outdoor Learning: Can you find a bird’s nest in a tree? Build one outside using sticks and other materials you can find.

DPA: Take 10 baby steps (heel to toe) forward then backward with good balance

**Thursday,
April 16**

Outdoor Learning: Use materials in your yard or outdoor space to create an obstacle course (climb under a lawn chair, jump over a rock...)

DPA: run the obstacle course 3 times in a row.

**Friday,
April 17**

Outdoor Learning: Read a book to your child outside.

DPA: Play tag for 5 minutes outside with a family member.
