

Grade 1 & 2 Literacy Assignment for May 4

This assignment will be due May 14th

For this week's assignment you will do some research. (find new information about a topic.)

Assignment: Choose an animal that interests you but that you do not know much about. Find **4** interesting facts about your animal. Ex. (*what it looks like - appearance, where it lives - habitat, what it eats - diet*) Complete the activity pages below. Make sure to include very neatly coloured pictures to go along with your writing in the spaces provided.

Challenge: **Find 5 or more facts** about your animal and explain each fact in more detail. Ex. (Lions have sharp teeth. They are used for tearing and ripping meat.)

- Remember that most children in grade 2 will be able to give at least 4 facts and explain each fact in more detail.
- Be sure to do your best work. Take your time and make it look great. It is not due until **May 14th**.

If you do not have enough room for your writing and pictures feel free to use another piece of paper to continue your work.

Note: Extra pages have been provided for you if you want to use them.

Be sure to upload to the **assignments tab** at the **top of the Teams page** when your work is complete.

Ms. Hnatiw, Ms. MacLeod, & Mrs. Harrison

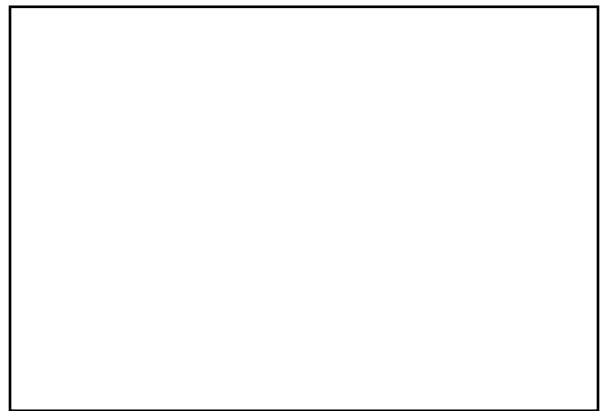

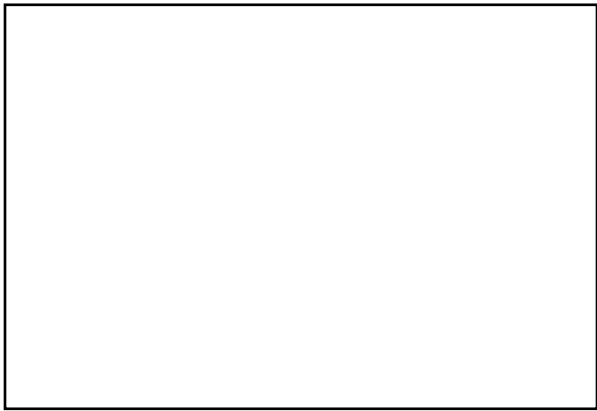

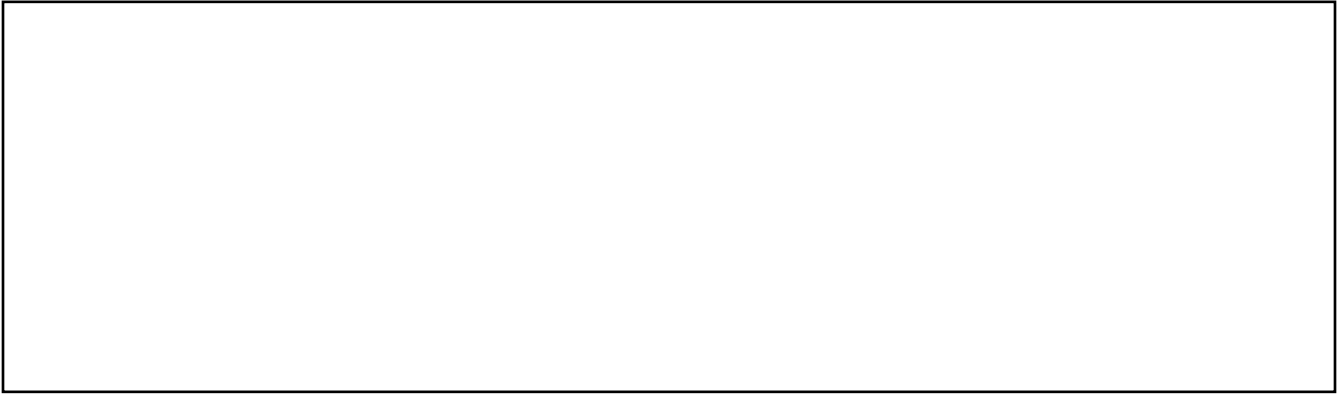

Research Project Rubric

Assignment	Extending	Applying	Developing	Beginning
<p>Research an animal giving 4 interesting facts. Use details to explain your facts. Draw and colour a detailed picture to go with each fact.</p>	<p>*5 or more facts with details explaining each fact. *Label each picture that goes with each fact. *Very neatly coloured.</p>	<p>*4 facts about your animal with details. *Neatly coloured pictures that go with each fact.</p>	<p>*Attempt to write 4 or less facts about your animal with little detail. *Pictures that are not specifically related to each fact. *Attempted to colour neatly.</p>	<p>*Attempt to write 3 or less facts about your animal with little detail. *Little detail in your picture. *Attempted to colour neatly.</p>
