### Weekly Newsletter #31

Dear Parents and Guardians,

We are into another week of learning at home. I hope you and your family are finding a balance and your children are dealing with the changes in the best way that they can. Please remember, your family's well-being and happiness should be the number one priority during this time. If the weekly school demands are too much, please reach out to me and I can work with you to find other ways to be a support. We are in this together!

Here is what is going on this week:

- New Math and Language Arts assignment (Please make sure that you email or post your child's work for these by the end of the week!) **This week's Language Arts assignment has a video to watch on TEAMS if you are needing a chuckle! 😊 It is found in the Language Arts folder then on the left where it says "Reading and Writing Assignments."**
- Team Meetings on TUESDAY at 9am, WEDNESDAY at 9am (pajamas and story) and THURSDAY at 2pm. **I am adding another optional meeting on Friday at 9:30am if anyone is interested in doing a Directed Drawing with me!**
- Optional choice board attached, story from Mrs. Bentley found on Teams
- P.E. Activities are now found in the P.E. Teams folder and under Ms. Pollock's name on the school website
- Daily prompts in the Teams folders for those who want to comment
- Remember both Raz-Kids and EPIC are great sites for keeping up with reading!

I hope you all have a wonderful week. Happiest of Mother's Day to those wonderful mothers out there. You are raising remarkable children! Stay healthy and happy...

Mrs. Tara Lyon 😊
