

## Cultus Lake Community School

### Weekly Newsletter #34

Dear Parents and Guardians,

This week I will be returning back to our school building. Our staff will be beginning the process of opening up classrooms for students who choose to return the week of June 1<sup>st</sup>. On Monday, one of your children's teachers will be calling you to see what your family's plan is for June. This will be a quick conversation and if you have any questions before you make your decision, hopefully they will be addressed then. As outlined by the ministry, on-line learning will be maintained throughout June for students who will not be physically coming into the school. However, please be aware that the on-line portion of learning workload will be reduced to accommodate for teachers working with students at the school. Details about what on-line work will consist of will be sent home in next week's newsletter.

Here is what is going on this week:

- New Math (different assignments for Grade 3 and 4) and Language Arts assignment. Please make sure that you email or post your child's work for these by the end of the week!
- Team Meetings on TUESDAY at 9am, THURSDAY at 2pm
- Optional choice board attached
- Story from Mrs. Bentley found on Teams

Please note that my response time on Teams and e-mail may be slightly delayed this week as I attend staff meetings, learn health and safety protocols, prepare the classroom, etc. I will try my best to get back to your messages as soon as I can. If you have any questions about what June will look like or need some clarification, feel free to contact me. I hope to be able to provide enough information so your family can make an informed decision if you haven't already. I appreciate your patience and support as we navigate this next chapter of uncharted times.

Stay healthy and happy...

Mrs. Tara Lyon ☺
