

Literacy Calendar – Read & Write Every Day

Date	Activity
Monday, May 4th	<p>Making Words: Say each word in the word list. Add “er” to the end of each word, now say the new word (ex: light → lighter)</p> <p>Words: short, dark, tall, fast, sweet, quick, slow, long, thick, round</p>
Tuesday, May 5th	<p>Read & Respond: Read a book on Raz Kids/Epic Books (or a book from home) and write or tell someone about your favourite part and why (use ‘because’ in your answer). What question(s) did you have while reading?</p>
Wednesday, May 6th	<p>Writing: Write a note to your mom or a special person in your life telling them why they mean so much to you. Try to write at least 4 sentences and give your note to that special person.</p>
Thursday, May 7th	<p>Playing with Words: A verb is an action word or a “doing” word. Words like: jump, draw or skip. How many verbs (“doing” words) can you think of. Can you think of 5? What about 10? Tell an adult what they are.</p>
Friday, May 8th	<p>Fluency: Choose a poem from your poetry/Readers’ Theatre duo tang or part of a story and read it 3 different times. You can read it to different people, a stuffy/toy or even your pet!</p>
Saturday, May 9th	Have a good weekend 😊
Sunday, May 10th	Have a good weekend 😊

Grade 1

Numeracy Calendar

Date

Activity

**Monday,
May 4th**

Number Families: Make 2 addition and 2 subtraction sentences for each set of numbers. Is there one that didn't follow the rules? Why?

Numbers: (2, 5, 7) (4, 2, 6) (5, 5, 10)

Example: Number Family: (3, 5, 8)

$$3 + 5 = 8 \quad \& \quad 5 + 3 = 8$$

$$8 - 5 = 3 \quad \& \quad 8 - 3 = 5$$

**Tuesday,
May 5th**

Number Placement: Look at each number and tell an adult what is one more than the number and what is one less than the number. Use the words more and less in your answer (ex: 55 is one more than 54 and 53 is one less than 54).

Numbers: 23, 51, 89

**Wednesday,
May 6th**

Real-World: Where in your house could you find 2 of something, 4 of something, 6 of something, 8 of something, 10 of something and 12 of something?

**Thursday,
May 7th**

Skip Counting: Skip count by 2's to the number 20 and then skip count backwards from 20 by 2's. (Hint: you might need to write them down)

**Saturday &
Sunday, May
9th & 10th**

Word Problem: I am thinking of a number. It is less than 20, it is more than 12, it is an even number and it has the number 6 in it. What is the number? Make your own word problem and test it out on someone.
