WHAT WE ARE LEARNING

- **Math** - Our focus for the month of June will be Addition and Subtraction, with regrouping along with SNAP.
- **Reading** - We will continue to work in our daily reading practice. We will be focusing on author's purpose, making inferences, predictions and connections.
- **Writing** - In Writer's Workshop we will continue to practice using describing words (adjectives and adverbs) in our writing and work on some persuasive writing and using dialogue in our writing.

HOMEWORK

- **Read Everyday** - 20 Minutes Per Day
- **Gameboard Activities** - Complete the sections you would like and send the teacher your completed work.
- **Practice Math** - Skip counting by 2's, 5's, 10's from any starting point on a hundreds board and SNAP strategies (rounding to the nearest 10, expanded form, representing numbers with different equations, real world math examples) Check out the SNAP forms in Teams or online.

NOTES FROM THE TEACHER

Hello Div. 3 Parents,

I have decided to give my update a new look now that we have moved to part time in class instruction. I look forward to seeing some students return to class for the month of June. We will be continuing with online learning and our **Team meetings will take place on Fridays from 10:30 - 11:00**. I will still be sending home weekly assignments for those students who will not be returning to class along with a weekly **Game Board** of choice activities which all students may want to do.

For parents whose children are returning to school, please make sure you know which days they will be attending. Also please ensure that you have reviewed the protocols in place for social distancing (no touching), and proper hand washing with your child. I would also like to remind everyone that our school will be a closed campus and the doors to the school will be locked once school starts. If you have any questions please call

IMPORTANT DATES

- * **June 1** - Group 1 attends
- * **June 3** - Group 2 attends
- * **June 5** - Teams Meeting 10:30 - 11:00 am

Reminders

- Students returning to school should have their own water bottles as the water fountains will be closed. Please send lunches with all necessary utensils and ones that do not require heating.
- Students working from home, please continue to submit assignments in Teams or email.
