

Literacy / Numeracy Calendar

June 15-19

Activities

Literacy

- Watch the read aloud [“How I Became a Pirate.”](#) Choose 1 writing activity from the **options attached**. Draw and a colour a picture to go with it.
- It is Father’s Day next Sunday, June 21st. Find 2 rocks, 1 small and 1 big. Fold a coloured paper in half to make a card. Have your parent hot glue the rocks onto the paper. Draw a face on each rock, arms and legs, and write “Dad, You Rock” on the front. Inside write a special message to your Dad. **See example attached**.

Numeracy

- Have your child watch the Jack Harman coins video by following the link below:
<https://www.youtube.com/watch?v=cttbzSOMzEU>
When they are finished have them complete the mini- coin booklet attached. If you would like to fold and cut your paper and turn it into a mini-book, the you can find the directions below:
https://www.kidzone.ws/prek_wrksht/shapes/ib-books-photos.htm
- Play the “Heads and Tails” game attached. Flip a coin and use tally marks to record how many times it lands on heads and how many times it lands on tails. When your child is finished, have them record the total for each in the box below and ask which side it landed on the most.

DIY FATHER'S DAY *Craft*

Flip a coin and tally how many times it lands on heads and tails.
