

Cultus Lake Community School

Weekly Newsletter #35

Dear Parents and Guardians,

I am looking forward to welcoming your child back to school starting June 1st. Your child will be attending on MONDAYS and TUESDAYS. The school day will run as usual from 7:55am-1:52pm. Mr. Gemmell has already emailed information out about the safety precautions being taken at school. If you still have concerns or questions, please feel free to contact the school or myself for clarification. Here are some important things to be aware of for the upcoming weeks:

- **Assess:** Before coming to school in the morning, children must be assessed daily for symptoms of illness. Children that are displaying any symptoms will need to stay home from school. If children appear ill at school, they will go to the medical room and parents will be phoned to pick them up.
- **Hand Washing:** We will be washing our hands a lot! Students will be required to wash their hands before entering the classroom, eating times and before they go outside. If students have their own little bottle of hand sanitizer, they are able to bring it to school. This needs to stay in their backpack during the day.
- **Water bottle:** The water fountains are not available, but the water bottle filler station will be accessible. Please make sure your child's name is on the bottle.
- **Extra Utensils:** The kitchen will not be able to provide utensils so please pack accordingly.
- **Clothing:** Please have your child dress for the weather every day as we will be learning outside for the majority of the day. If it is rainy, please make sure your child wears boots, has a rain jacket and rain pants. No student items will be staying at the school, so all of their gear will have to come back and forth every day they are here. If your child wears boots in the morning, please have them bring some clean shoes to change into.
- **School Supplies:** We will be supplying all the supplies your child needs for the month of June. The only item we require them to bring is pencil crayons and/or markers. **Please have your child leave all other items at home, including their agenda book.**

I can't wait to see your child on Monday morning! Please have them enter our normal classroom door when they arrive at school. Stay healthy and happy...

Mrs. Tara Lyon 😊
