

Cultus Lake Community School

Weekly Newsletter #36

Dear Parents and Guardians,

I hope you all are having an enjoyable weekend. This week your child will be receiving their learning activity via the mail. Inside they will find some directions, a miniature version of myself and some choices of activities to do with “me.” I encourage your child to have fun with this and be as creative as they like. This is an optional activity for students who are attending school. Students that are continuing to learn remotely, please make sure that you send me a picture or two of what your child did. A reminder that this can be done via email, the chat function on Teams or posting in the assignment section of Teams. I love being able to see what learning is taking place at home and it helps me feel connected with your child. If you do not receive the envelope on time this week, I have attached the directions and activity to this email. You will just have to cut out the picture of me on the directions page.

Just a reminder that our weekly Team meetings now take place on Fridays at 10:30am. Hope to see many of your children’s faces there! 😊

Stay healthy and happy...

Mrs. Tara Lyon 😊
