

- What is a Readathon? It is a reading marathon. Participants will read, non-stop, for 45 minutes.
- Why are we having one? To raise funds to go towards updating our teachers' classroom libraries.
- When will it take place? Wednesday, November 19, 2025, from 12:45-1:30.
- Where will it be held? School gymnasium and throughout the halls.
- What will participants need? Each participant will need a supply of reading material at their independent reading level, in sufficient quantities to keep reading for the allotted time. Teachers will help with this from classroom and/or the school library. (Parents: please help your child prepare for the Readathon by showing you their books collected in advance. Also, your child may wish to bring a blanket or pillow to sit on, and a stuffie too)!
- When is the money due? We encourage families to sponsor students with monetary pledges. If you do so, please use the attached sheet and bring funds to school on or before the Readathon Day (November 19). *Any cheques can be made out to Cultus Lake Community School..
